

The image features two large moths, likely Saturniids, perched on a light-colored, textured branch against a solid light green background. The moth on the left has bright yellow wings with dark brown markings and two large, prominent eyespots with black centers and yellow and red borders. The moth on the right has brown wings with similar markings and eyespots. The text is overlaid on the right side of the image.

**IL N'Y A PAS QUE LE  
SIDA !**

**IL Y A AUSSI  
L'HÉPATITE B ET  
L'HÉPATITE C !**

**PENSEZ À VOUS FAIRE  
DÉPISTER !**

**UNE SIMPLE PRISE DE SANG SUFFIT !**
